ABOUT KAUNAS

Kaunas is the second-largest city in Lithuania with about 350 thousand people and has historically been a leading centre of Lithuanian economic, academic, and cultural life. Kaunas, the most student-centered city in Lithuania, located in the central part of the country it is surrounded by the two largest rivers of Lithuania, the Nemunas and the Neris. Kaunas is located 100 kilometers from the capital Vilnius and 212 kilometers from the Country's major seaport Klaipeda.

Kaunas is the provisional capital of Lithuania, famous for its colorful history, cosy parks, remarkable and wonderful Old Town and interwar spirit.

Kaunas Old Town - the oldest part of Kaunas town, located to the east of the confluence of the Nemunas and Neris rivers, occupies 144 hectares. There are a lot of surviving Gothic, Renaissance and Baroque buildings, especially in the western part of the Old Town. Many notable buildings and facilities are located in the Old Town, such as the Kaunas Town Hall, the Kaunas Castle and the Historical Presidential Palace, House of Perkūnas, also the Kaunas Cathedral, the Church of St. Gertrude, Vytauta's church and many other churches.

Kaunas is not only the most student-friendly city, the hometown of the Lithuanian theatre, the city of original museums and a member of the Hanseatic League but also the "Mecca" of athletes. No wonder that numerous significant sports events are held in Kaunas and BC Žalgiris is much more than a basketball team, while basketball as such rises above the concept of sport.
